

EDNA MAGUIRE CAR LINE

The Edna Maguire Car Line is provided by the parents of Edna Maguire School to ensure the safety of students as they are dropped off and picked up from school and to alleviate traffic congestion. Each classroom has been assigned several weeks to assist in the Car Line. We expect all parents to volunteer sometime during the school year regardless of whether they use the Car Line. Please arrange your schedule so that you can volunteer when your classroom is assigned so that no one is unduly burdened. We can only provide this service to our students if everyone helps out.

It is your duty to follow the Car Line guidelines described below:

1. Drive through the Car Line zone in the back parking lot (marked by cones) as you drop off or pick up your child/children.
2. Do NOT stop or park in the middle of the Car Line zone. Drive forward until directed to stop by one of the Car Line volunteers.
3. Please let one of the Car Line volunteers assist your child/children out of the car. Do NOT get out of your car.
4. Do NOT talk on your cell phone while driving through the Car Line.
5. Please have your placard in your windshield during afternoon pick up.
6. Please be courteous and respectful to our Car Line volunteers. (You will be out there one day too.)

Please remember that the front driveway is for drop off and pick up of fourth and fifth grade students ONLY.

We appreciate your assistance this school year in making Car Line a success!

I have read and understand the Car Line program as offered by Edna Maguire School. I agree to volunteer in my classroom for a Car Line shift and follow the Car Line procedures and safety guidelines as outlined above.
