

## **EDNA MAGUIRE CAR LINE**

The Edna Maguire Car Line is provided by the parents of Edna Maguire School to ensure the safety of students as they are dropped off and picked up from school and to alleviate traffic congestion. Each classroom has been assigned several weeks to assist in the Car Line. Please arrange your schedule so that you can volunteer when your classroom is assigned and no one is unduly burdened.

All Car Line shifts will be posted online at Sign Up Genius. Your teacher will forward you the link so that you can sign up during your assigned weeks. We expect all parents to volunteer sometime during their classroom shifts regardless of whether they use the Car Line. **If you are unable to volunteer, please make alternative arrangements with Principal Zimmer.**

If you see only one person working the carline and have a few minutes to spare, please feel free to step in and help. We would all really appreciate it!

It is your duty to follow the Car Line guidelines described below:

1. Do NOT stop or park in the middle of the Car Line zone. **Drive forward until directed to stop by one of the Car Line volunteers.**
2. Please let one of the Car Line volunteers assist your child/children out of the car on the curb side. Do NOT get out of your car.
3. Do NOT talk on your cell phone while driving through the Car Line.
4. Please have your placard in your windshield during afternoon pick up.
5. Please be courteous and respectful to our Car Line volunteers. (You will be out there one day too.)

We appreciate your assistance this school year in making Car Line a success!

*Please remember that the front driveway is for drop off and pick up of fourth and fifth grade students ONLY.*
