

Hey Parents!

Check out this great contest that could help us earn \$3,000 for Edna Maguire School:

Lindsay Olives

Lindsay Olives is asking students across the country to collect canned food to donate to a local food bank. The group that collects the most cans will win \$3,000.

We will be collecting cans and dried goods for the Marin Food Bank from now until December 16 - so open those pantries! Food Bank bins will be in the office.

Let's give back together this Holiday
